MOTION FOR
EXTENSION OF DEADLINE
TO FILE APPEAL BRIEF

Applicant hereby moves the Trademark Trial and Appeal Board for a sixty (60) day extension of the current October 29, 2016 deadline for filing Applicant's brief in this ex parte appeal. If granted, the new deadline would be December 28, 2016.

Argument

Pursuant to Section 1203.02(d) of the Trademark Trial and Appeal Board's Manual of Procedure, an extension of time for filing an appeal brief in an ex parte appeal may be granted by the Board upon a written request showing good cause for the requested extension. As good cause for the current extension request, Applicant notes the following:

Foreign Applicant Contact. Applicant is a foreign company, located in New Zealand. Due to time differences and client travel issues, communication between the client contact and the undersigned counsel often requires additional time. *See* TBMP_¶1203.02(d) ("Depending on the totality of circumstances, good cause has been found [based on] the need to get instructions from a foreign applicant").

Applicant believes that it has demonstrated good cause for a single, sixty (60) day extension of the current deadline for filing the applicant's appeal brief in this matter. Please contact the undersigned with any questions regarding this matter.
